

# SAFETY SHEET

## CONFORT MOUSSE

### 1. PREPARATION AND COMPANY IDENTIFICATION

1.1 Product name	<b>CONFORT MOUSSE</b>
1.2 Product use	COSMETIC HAND CLEANSER
1.3 Supplier	
1.4 Emergency phone number	0377 909028

### 2. INGREDIENT COMPOSITION/INFORMATION

#### 2.1 Composition (as per Italian law 713/86):

AQUA, SODIUM LAURETH SULFATE, MAGNESIUM LAURETH SULFATE, COCAMIDOPROPYL BETAINE, POLYSORBATE 60, COCAMIDOPROPYLAMINE OXIDE, POLYSORBATE 20, GLYCERIN, HYDROLYSED WHEAT PROTEIN, POLYQUATERNIUM-10, BETAINE, CALENDULA OFFICINALIS, ORYZA SATIVA, PROPYLENE GLYCOL, DIMETHICONE COPOLYOL, PPG-12-BUTETH-16, SODIUM CHLORIDE, DISODIUM EDTA, SODIUM BENZOATE, PARFUM, CI 42090, CI 19140

2.2 **Hazardous ingredients:** Does not contain substances hazardous to health or the environment, as per Italian Legislative Decree 52/97, or substances for which there are Community workplace exposure limits in concentrations above those set down in Decree 7/9/2002.

### 3. DANGER IDENTIFICATION

- 3.1 Classification: Product classified as NON-DANGEROUS as per EC Directive 1999/45.  
Cosmetic product conforming to the provisions of Italian law 713/86, supplemented by Legis. Decrees 300/91 and 126/97.
- 3.2 Risks for health When applied in normal or reasonably predictable use conditions it is safe for human health and neither irritating nor sensitizing for skin.
- 3.3 Risks for the environment There are no known risks for the environment.

### 4. FIRST-AID INSTRUCTIONS

#### 4.1 Effects and symptoms

- 4.1.1 Contact with skin In very prolonged contact with no rinsing off it can cause slight, momentary irritation.
- 4.1.2 Contact with eyes Can induce slight burning and/or momentary irritation.
- 4.1.3 Inhalation Unknown.
- 4.1.4 Ingestion Ingestion of large amounts can cause diarrhea, nausea, vomiting.

#### 4.2 First-aid measures

## SAFETY SHEET

- 4.2.1 Contact with skin Rinse off with water.  
4.2.2 Contact with eyes Rinse abundantly with water for 15 minutes, with eyelids open. If irritation persists, consult a doctor.  
4.2.3 Inhalation Take the person out of doors.  
4.2.4 Ingestion Do not induce vomiting. Have the person drink a bit of water. Consult a doctor or poisoning center.

### 5. FIRE PREVENTION

- 5.1 Recommended extinguishers: Powder, foam, CO<sub>2</sub>, atomized water.  
5.2 Prohibited extinguishers: None.  
5.3 Risks from combustion: Avoid inhaling fumes.  
5.4 Unusual risks: The product is non-flammable.  
5.5 Protection devices: Normal procedures for fires of chemical origin.

### 6. PRECAUTIONS IN CASE OF ACCIDENTAL LEAKAGE

- 6.1 Precautions for persons: No dangers requiring special measures exist.  
6.1 Environmental precautions: In the case of big spills, soak up with porous material (sand, sawdust, etc.) and place in suitable containers.  
6.3 Cleaning methods: Rinse away with water.

### 7. HANDLING AND STORAGE

- 7.1 Handling: No special measures are required for handling.  
7.2 Storage: Keep in a cool, dry, ventilated place far from sources of heat. Reacts badly to frost.

### 8. PERSONNEL PROTECTION/ EXPOSURE CHECK

- 8.1 Exposure limits: None.  
8.2 Exposure check: No individual protective devices are required; follow general industrial hygiene practices for chemical products.

### 9. PHYSICAL AND CHEMICAL PROPERTIES

- 9.1 Appearance: Viscous clear liquid.  
Odor: Pleasantly balsamic.  
9.2 pH: 6,2 – 7,2  
Boiling point: n.d.  
Flammability point: n.a.  
Flammability: non-flammable  
Explosive properties: n.a.  
Burning properties: n.a.  
Steam pressure: n.d.  
Relative density: 0,99 – 1.01  
Water solubility: Complete  
Solubility in oil: Negligible  
Viscosity: < 100 mPa.s

## SAFETY SHEET

Steam density: n.d.  
Evaporation speed: n.d.

9.3 Other information: none

### 10. STABILITY AND REACTIVITY

10.1 Stability: Stable under normal conditions.  
10.2 Conditions to avoid: None in particular.  
10.3 Materials to avoid: None in particular.  
10.4 Decomposition risks: Unknown.

### 11. TOXICOLOGICAL INFORMATION

11.1 Acute effects: There is no known or foreseeable damage to health in normal or reasonably predictable use.  
11.2 Chronic effects: There is no known or foreseeable damage to health in normal or reasonably predictable use.  
11.3 Further information: There is no known evidence of effects of sensitization, carcinogenesis, mutagenesis or teratogenesis.

### 12. ECOLOGICAL INFORMATION

12.1 General information: There are no known environmental risks, but the product should be used according to good work practices and not dispersed in the environment.  
12.2 Biodegradability: Contains surface-active agents biodegradable over 90% as required by law.

### 13. DISPOSAL RECOMMENDATIONS

13.1 Disposal methods: As per the national or local regulations in force.

### 14. TRANSPORT INFORMATION

14.1 Road or rail (ADR/RID): No danger  
14.2 Air (CAO/IATA): No danger  
14.3 Maritime (IMDG/IMO): No danger

### 15. REGULATIONS INFORMATION

15.1 Classification: NON-HAZARDOUS as per current laws.  
15.2 Labeling: No danger or warning symbol.  
15.3 Regulations: Where applicable, refer to the following laws and later modifications and implementation measures:  
D.M. 7/9/02: information on hazardous preparations  
EEC Dir. 92/32: hazardous substance classification  
EEC Dir. 01/58: hazardous preparation information  
EEC Dir. 67/548: safety files

## SAFETY SHEET

EEC Dir. 99/45: non-hazardous preparations  
D. Lgs. 52/97: substances dangerous to health  
the environment  
D.P.R. 175/88: work with high risk of accident  
D.P.R. 203/88: air pollution  
D.L. 277/91: exposure to chemical agents  
D.P.R. 547/55: workplace accident prevention  
D.P.R. 303/56: workplace hygiene  
D. Lgs. 626/94: personnel safety  
Law 319/78: liquid waste  
D. Lgs. 133/92: liquid waste  
D.P.R. 203/88: air pollution  
D. Lgs. 22/97: waste disposal  
Law 713/86: cosmetics production and sales  
D. Lgs. 300/91: cosmetics production and sales  
D. Lgs. 126/97: cosmetics production and sales

### 16. OTHER INFORMATION

16.1 Additional information: This preparation is a COSMETIC PRODUCT that DOES NOT CONTAIN substances hazardous to health or the environment as per Italian Legislative Decree 52/97 or substances for which there are Community workplace exposure limits in concentrations above those set down in Decree 70/9/2002. As such, it is explicitly excluded from EC Directive 1999/45 and therefore from the provisions of EC Directive 2001/58. Therefore, this file is provided solely for informational purposes and is not subject to the provisions set down in D.M. 7/9/02.

The information provided in this file is based on our best knowledge at the date of publication. We remind you that the user is responsible for assuring him/herself of the suitability and completeness of such information prior to product use. We therefore assume no direct or indirect responsibility for use. This file annuls and replaces all previous editions.
